

Beauregard Parish Outstanding School Support Employees of the Year 2018-2019

The 2018-2019 Beauregard Parish Outstanding School Support Employees of the Year were honored at the board meeting and presented a plaque by Superintendent Cooley and Board President Vidrine. The program, sponsored by the Louisiana Department of Education annually, recognizes outstanding employees at the elementary, middle school, and high school levels in the operation of school activities not requiring a teaching certificate. Employees who keep schools clean and safe, who handle administrative support tasks, who care for the financial operations of the school, who safely transport students, who aid teachers in their educational endeavors, who feed our students nutritious meals, and in many other ways support education at our schools, deserve recognition for their hard work and dedication to our students and our school system. Nominees for the Outstanding School Support Employees of the Year display leadership qualities, inspiring and motivating others. They evidence service and achievement above and beyond what is expected in their job description. They exemplify professionalism and have good rapport with students, parents, and co-workers. The three employees have a combined 72 years of experience in our school system and include (from left) Karen Richardson of K.R. Hanchey Elementary, Eric Ray of Carver Elementary, and Kim Watson of Merryville High School.
